#### **FY Care Values**

**Respect** – the rights of our clients are always fully respected, showing dignity, compassion and demonstrating integrity at all times

Independence – Our clients will remain as independent as possible, using our empowering service to enable positive outcomes. This includes being able to set personal goals and targets so individuals can develop their strengths and abilities.

**Choice** – All individuals to make choices in all aspects of their life and to have support to help make these choices happen. We provide totally bespoke person centred care and support

**Safety** – Supporting individuals to embrace challenges with continuous protection from potential harm and creating a transparent and open environment.

**Equal Opportunities** – all of our services will be provided to clients in line with our Equality and Diversity Policy, and no one will ever be discriminated against.

Partnership – FY Care Limited will work in partnership with other organisations, local authorities, professionals, etc. to develop quality services that meet the needs of our clients, their families and stakeholders.

Supporting you to live the life you choose

## **Description of FY Care Services**

We specialise in supporting people with a wide range of mental health challenges, including psychosis, schizophrenia, multiple personality disorder and severe depression, to live the lives that they choose

- We work in partnership with multiple agencies to deliver a person centred approach, including personal care
- We create opportunities and enable you to choose the support you want
- We empower you to overcome social isolation and engage with community activities
- We will support you to have a greater sense of self-worth and independence
- We can support you in your own home, or provide accommodation with support

At FY Care we know how important it is to have good quality, safe, welcoming and comfortable living accommodation. We offer various housing options to meet your current or ever changing housing needs

- We work with a Housing Association to provide high quality person centred housing
- We will find out what type of housing is important to you and support you in meeting your needs
- We provide continuing support to help you live in your home

All support is carried out by our highly knowledgeable and experienced staff

## Our services are aimed at

- Adults aged 18 years and over
- Individuals with Mental Health conditions
- Individuals with Mental Health conditions that challenge, including cooccurring conditions

Our list of services are extensive. We aim to provide a totally bespoke level of care and support to ensure independence and fulfilling lives

# Where our services can be delivered

- In supported living accommodation
- In an individual's own home
- In a sheltering housing scheme
- ♦ At a mutually arranged location
